DETAILED ACTION

The terminal disclaimer, the amendments, and the information disclosure statement, all filed on 9/202/004, have been entered. Claims 1-16 remain for examination.

Allowable Subject Matter

Claims 1-16 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art discloses method for reading and scanning optically coded bar codes. However, the prior fails to disclose the specific method of reading the bar code comprising the steps of positioning a reader such that orthogonal axes of an information area to be read occupy a range of angular relationships to the pixel axes; focusing the reader; imaging; and generating a digital representation of the imaged information area; and having the functions and characteristics as recited in claim 1.

The prior art also fails to disclose the limitations of claim 10.
